

REMARKS

This Second Preliminary Amendment corrects an error noted in the formal drawing filed via Preliminary Amendment on October 18, 2001. The required correction is shown in red.

No modification to the substance of the Drawing, other than to correct the designation of FIGs 3 and 4, has been made or is intended.

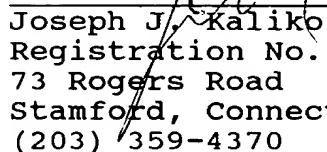

It is respectfully requested that preliminary to examining the application the correction to the previously filed formal drawing be entered into this application.

A separate copy of this correction to the formal drawing has been mailed on even date herewith to the Official Draftsman.

No additional fee is due for the filing of this Second Preliminary Amendment.

Examination and allowance of the above identified application at an early date is respectfully requested.

RESPECTFULLY SUBMITTED,

---
